

## Product Profile

# DEVIL'S CLAW

*Harpagophytum procumbens*

Liquid extract of dried, secondary tuber (not root).

**Actions:** Anti-inflammatory, antirheumatic and analgesic. Promotes appetite and digestion (especially fats). Metabolic cleanser/detoxifier of blood, lymph, pancreas, liver and kidneys.

**Uses:** Arthritis and rheumatic problems; tendinitis; lower back pain. Poor appetite. Slow metabolism. Insufficient production of bile and related problems of digestion. Acne, psoriasis and other skin problems.

**Dose:** Take 30 to 40 drops, 2 to 4 times per day.

**Cautions:** Consult a physician before taking in cases of gastric or duodenal ulcers. Large doses may produce colic in cases of gallstones or obstruction of bile ducts or intestines.
