

Product Profile

SARSAPARILLA

Smilax (ornata) regelii

Liquid extract of dried roots harvested in Jamaica.

Actions: Alterative and depurative. As a general “blood cleanser” and detoxifier of the kidneys and skin. Rich in phytosterols. Anti-inflammatory. Sarsaparilla has a long-standing reputation as a male sexual tonic, although many question the validity.

Uses: Chronic skin maladies such as eczema, psoriasis, acne, and rashes not externally induced. Boils. To enhance kidney function and the elimination of uric acid and urates. Prevention or moderation of kidney stone formation. Arthritis, rheumatism and gout.

Dose: Take 30 to 40 drops, 2 to 4 times per day. For optimal alterative and depurative action, combine with Burdock liquid extract.

Cautions: None known.
